Bonus Qualifications

The current month's qualification report is updated overnight. Any changes today will be reflected in tomorrow's report. Data for the current month will appear beginning on the 16th of the month through the 15th of the following month. Ranks will not populate until the minimum PBV is met when a qualifying order/monthly autoship order has processed. This report is a snapshot of rank qualifications at a certain point in time and is not a guarantee of rank when the qualification period is officially closed. Note: The data on this report is as of last night.
